Dear Ricardo and BLD Community Members:

Thank you for your generous donation of various non-perishable food items to Youth Without Shelter (YWS). Gift in Kind (GIK) items such as food, clothing, hygiene items, and gift cards are invaluable supports to both our in-house youth, and our youth transitioning to independent living through our After-Care program.

The impact of these donations goes well beyond the tangible. A donation of a warm meal brings not only nutrition, but comfort. A donation of food to the food bank provides dinner to someone who might otherwise go hungry. A button-down shirt means an interview may go that much better, and a new coat, shoes, and a computer can mean going to school with pride. Hygiene items promote confidence, and gift cards encourage independence.

Thank you for helping our youth to not just survive, but to thrive.

Sincerely,

Monika Fox  
Director of Philanthropy and Engagement
